Re: Amended Special Exception Use Application  
Manhattanville College—New Dormitory  
2900 Purchase Street, Purchase, New York

Dear Supervisor/Mayor Belmont & Members of the Board:

Our firm represents Manhattanville College (the "College") in connection with the application for a new 2-1/2 story dormitory building (the "Application"), on the northern side of the College's campus located at 2900 Purchase Street, Purchase, NY. As you may recall, on September 7, 2010, this Board approved the Amended Special Exception Use Application in connection with the new dormitory. In addition, on August 4, 2011, this Board approved a 270 day extension of the time to apply for a building permit, until June 7, 2012. The Application also received Amended Special Exception Use, Site Plan, and Wetlands Permit Approval, as well as a Negative Declaration under SEQRA, from the Planning Board at its July 27, 2010 meeting.

The College has informed our office that due to continued budgetary constraints, they will not be able to apply for a building permit by the June 7, 2012 deadline. Therefore, we respectfully request pursuant to §235-14.J, on behalf of the College, an additional 270 day extension of the time to apply for a building permit, until March 7, 2013. Kindly place this request on your May 17<sup>th</sup> agenda for consideration.

Very truly yours,

Seth M. Mandelbaum
