Dear Mayor Walsh,

I am writing to request permission again this year for BRAKING THE CYCLE™ to travel through your jurisdiction on Sunday, September 30, 2012. We are also notifying Chief Anthony Marraccini of the Harrison Police Department of our intentions.

BRAKING THE CYCLE™ is a three-day bicycle ride to benefit Housing Works, a major AIDS service organization headquartered in New York City and with offices around the country. Approximately 75-100 riders will join together to raise money and awareness to fight a disease that affects millions of Americans each year, including many right here in our area.

BRAKING THE CYCLE™ is a fully-supported ride, not a race, with people of all ages, shapes, and sizes riding side by side. It will be an extremely challenging experience for all involved.

I have enclosed the route that we propose to use to travel through your jurisdiction. Please review the enclosed materials. We are not asking for any roads or lanes to be closed during our event. **If permission is granted, please fill out, sign and return the Notification and Approval of Event form attached.**

Since our proposed route winds its way briefly through your jurisdiction, we expect riders to be riding through your area from 9:45 am to 12:45 pm on Sept 30th.

Please feel free to call me at 212.989.1111 to discuss this request. We look forward to partnering with you to make a difference in the fight against AIDS in our community.

Sincerely,

Jim Dreher
Logistics Coordinator
